Subject: WI CAFO afternoon discussion
Attachments: State NPDES Legal Authority Requirements - DNR Draft 8-22-18.xlsx

Categories: No Record

George and Nizanna – I believe this afternoon’s discussion will focus on federal requirements that are not applicable to DATCP. The attached spreadsheet prepared by Wisconsin identifies federal requirements, current state statutes and rules that conform to the federal requirement, and which state agency will need this state authority/rule. I believe Mark Compton plans to go through this spreadsheet with the state this afternoon. Wisconsin folks need to leave by 2:30 Chicago time.
